BENEFITS OF PARTICIPATING

The exhibitor showcase is a great place to network with attendees, but how do you stand out in the crowd? By sponsoring a booth, marketing support or educational grant you draw attention to your company's commitment to the WVS mission. Your contribution will be highlighted on signage, in the program book, and on rotating slides within the scientific sessions, as well as verbal recognition from the podium.

Marketing Support Opportunities

In keeping with the guidelines set forth by the ACCME stating that the selling of advertising is a business transaction entirely separate from the acceptance of commercial support for accredited CME. Please consider the following options for highlighting your company at the Western Vascular Society.

Industry Satellite Symposia

Non CME Symposium Lunch or Breakfast Symposium proposals from Platinum Sponsors should include speaker and topics. Cost of symposium will reflect industry standards and include food and beverage, promotion, invitations, signage, and AV. Program Committee will review these proposals and confirm successful applicants by August 16..

Educational Grant Opportunities

After review of the final program if our focus aligns with your company's educational mission please contact our offices to provide instructions on grant applications. Educational grants are used for free wifi for attendees, printing, speaker honorariums, and attendee meals or social events. Note that with educational grant, the industry partner receives an acknowledgment of the donation on the program, signs and rotating meeting slides.

Protocol—please read!

To ensure a positive attendee and sponsor experience we discourage external industry events on the property at the surrounding venues from September 14-17, 2025.

Companies who bring extra representatives or participate in the hosting events outside the Western Vascular Society programming to draw attendees away from official events will be excused from the exhibit hall and barred from future exhibit or sponsorship at the meeting.

APPLICATION AND PAYMENT

Virtual and live space will be assigned in order in which contract is received with full payment. Checks should be made payable to Western Vascular Society and mailed with the application for exhibit space to: Western Vascular Society 1415 Commercial Ave. Suite 257 Anacortes, WA 98221. Credit cards are also accepted for payment of exhibit fees but subject to 5% handling fee to cover society merchant costs.

Important Information: The Society regrets that it cannot allow companies to participate if fees are outstanding following the 08/16/2025 deadline. In fairness to the companies who support this meeting loyally at no time does the Society offer discounted exhibitor fees. Only companies that have paid in full will be provided a housing block link.

REFUNDS AND CANCELLATIONS

Cancellations must be received in writing by 08/16/2025. All refunds in exhibit fees are subject to a 25% administrative fee. There will be no refunds for cancellations received after deadline unless space can be resold to another company at the same level of participation.
